Subject: Registration of Private Alternative Education Program

Pursuant to ORS 336.635 and OAR 581-021-0072, the application for Student Visions at 11830 SW Kerr Pkwy, Ste 330 Lake Oswego, OR, to be registered as a private alternative education program for 2005-2006 has been processed and filed.

Subject to the approval of each contracting district, a registered private alternative program is eligible to receive public school funds from school districts on a contractual, per student basis during the 2005-2006 school year.

Prior to contracting with or distributing public funds to a private alternative education program, each contracting district school board must determine that the private alternative program is registered with the Department of Education. Program registration may be confirmed by this letter or by searching the list of registered private alternative programs posted at <http://www.ode.state.or.us/search/results?id=78>

School district boards are required to adopt policies and procedures for contracting with private alternative programs. Those policies and procedures must include provisions for:

- The annual approval of each program;
- The annual evaluation of each program; and
- The placements of students in the programs.

Those requirements are described in the Oregon Revised Statutes, Oregon Administrative Rules, and Standards for Private Alternative Programs, which are also available at <http://www.ode.state.or.us/search/results/?id=78>

A registered private alternative program must be in compliance with ORS 336.631, ORS 336.635, ORS 336.337, OAR 581-021-0045, OAR 581-021-0072, or the Standards for Private Alternative Programs. Those found not to be in compliance will be removed from the Oregon Department of Education's list of registered private alternative programs and will not be eligible to receive public school funds through contracts with school districts.
